

Name: _____ Date: _____

Sorting Shapes

<p>Circle the shapes that are alike.</p> 	<p>Paste a shape that is alike.</p>
<p>It is alike because it has _____.</p>	

<p>Circle the shapes that are alike.</p> 	<p>Paste a shape that is alike.</p>
<p>It is alike because it has _____.</p>	

FOCUS

Children circle like shapes in the first box, then cut and paste another like shape from *Line Master 2: All Kinds of Shapes* in the second box. They explain their thinking.

HOME CONNECTION

Invite your child to find a shape at home that is like the shapes circled in each row.
